The practice provides appointments with GP’s, Nurses and Health Care Assistant’s. GP call backs are also available.

Rights and responsibilities of the patient (including cancelling appointments)

We aim to provide our patients with the best standard of care within the resources available to us and to deal quickly and efficiently with any problems that may arise. Patients will be treated with respect at all times in a confidential manner. In order to assist us in this we require that you take full responsibility to ensure that you keep medical appointments. If you are unable to keep your appointment, please notify the surgery so that we can offer the appointment to another patient.

Violent and abusive behaviour

The NHS operates a Zero Tolerance Policy with regard to violence and abusive behaviour. Aggressive behaviour of any type towards other patients, doctors or staff will result in immediate removal from the practice list in order to safeguard practice staff and others. In some cases the police may be informed.

Confidentiality & Medical Records

The practice complies with data protection and access to medical records legislation. Identifiable information about you will be shared with others in the following circumstances:
- To provide further medical treatment for you e.g. from district nurses and hospital services.
- To help you get other services e.g. from the social work department. This requires your consent.
- When we have a duty to others e.g. in child protection cases anonymised patient information will also be used at local and national level to help the Health Board and Government plan services e.g. for diabetic care.
- If you do not wish anonymous information about you to be used in such a way, please let us know.

Complaints and comments

You always try to provide the best service possible, but there may be times when you feel this has not happened. Wherever possible, we will ask that you voice your concerns at the time, so that a resolution may be sought immediately. However, if you feel the need to raise a complaint please ask for a complaint form from Reception or write to the Practice Manager. If we cannot resolve the issue for you, you should contact NHS England’s Customer Contact Centre:
